Republic of Iraq
Water Supply Sector Loan Project in Mid-Western Iraq IQ-P13
Package 1-1, Contract Nr. 3
Rehabilitation and procurement of equipment for the existing
facilities of the water supply project for the location of Ba'shiqa
Hamdaniya

1. The Ministry of Municipalities and Public Works has received a Loan from Japan International Cooperation Agency toward the cost of the Water Supply Sector Loan Project in Mid-Western Iraq.
2. The Ministry of Municipalities and Public Works (hereinafter referred to as “the Employer”) intends to prequalify contractors and/or firms for Rehabilitation of the Existing Intake Facilities and procurement of equipment. The facilities include Treatment Plant (WTP), Pumping Stations and Transmission Pipelines Lines in Ba'shiqa- Hamdaniya (Ninawa Governorate). The operational capacity for the WTP after rehabilitation will be 41,400 m³/day, the civil and structural condition of the existing facilities is generally sound, however much of the electrical and mechanical plant will require replacing. Construction experience will be required in the rehabilitation of WTP and Pumping Stations. A minimum average annual construction turnover of USD 15 million will be required.
3. It is expected that Invitation for Bids will be made in August 2013.
4. Prequalification will be conducted through prequalification procedures specified in the Guidelines for Procurement under Japanese ODA Loans, March 2009, and is open to all bidders from eligible source countries, as defined in the guidelines.
5. Interested eligible Applicants may obtain further information from and inspect the Prequalification Documents at the address given below:
6. A complete set of the Prequalification Document may be purchased by interested Applicant(s) on the submission of a written application to the address below and upon payment of a nonrefundable fee of ID 300,000 (Three Hundred Thousand Iraqi Dinar only, in cash).
7. Applications for prequalification should be submitted in sealed envelopes, delivered to the address below by 15 May 2013.
