with option to visit the Palestinian Territories

The Middle East Association, in partnership with UKTI, will be taking a Trade Mission to Jordan from 9th to 13th May. The Mission will visit Amman and facilitate exposure to important business opportunities in the Iraqi and Jordanian markets.

The mission will include high-level receptions, and one-to-one meetings with key Iraqi and Jordanian contacts.

The mission will also visit the Palestinian Territories (West Bank) for a programme of receptions and meetings with prominent Palestinian business leaders in Ramallah.

This Trade Mission is particularly recommended for companies in the following sectors:

- Infrastructure Development and Construction
- Energy
- Defence and Security
