8. The goods should be brand new and of latest model and from U.S.A. or West Europe or Japan origins.
9. The payment shall be effected by Letter of credit or endorsed cheque in two installments: the first payment is 60% after receipt of the goods and a certificate issued by the buyer stating that the equipment have been delivered and 40% after the issuance of the final acceptance certificate issued by the buyer stating that the delivery has been completed according to the specifications agreed upon in the contract.
10. A meeting will be holding later on to open the commercial offer for the compliance technical offers.
11. the bidder who will be awarded the tender must submit a performance bond (before signing the contract) covering 5%(five percent)of the total contract in favour of oil exploration company (OEC) in the form of cash or endorsed cheque (for the Iraqi companies) ,or in the form of bank guarantee(for Arabic and foreign companies) which should be submitted through the Trade Bank of Iraq or any accredited Iraqi banks.
12. The offer should include a suitable warranty period considering that the performance bond shall not be released unless the warranty period is expired.
13. In the event the seller fails to fulfill any part of his obligations under the contract which will be signed after awarding, OEC shall have the right to implement the non-executed obligation at the seller's account which shall not exceed 20% (twenty percent) of the actual cost of the said executed obligation as administrative fees.
14. In the event, the seller delays to deliver the required goods within the agreed upon shipping period stated in the contract which will be signed afterward. The delay penalty per day shall be imposed and calculated according to the following equation:
$$\frac{\text{Contract Value}}{\text{Contract Period}} \times 10\% = \text{penalty per day}$$
15. This contract is subject to the law of collecting governmental debts No.56 enacted in Iraq in 1977 or any other law supersedes it in this respect).
16. The contract which will be signed after awarding shall be made in Arabic language (for Iraqi companies) and in Arabic & English languages (for Arabic & foreign companies) and both versions (English & Arabic) shall be signed by the seller and the buyer. In case of conflict in interpretation of this contract, the Arabic version shall prevail.
17. The certificate of origin for the goods (whether delivered directly from the foreign exporting countries or delivered via Arab countries) should be legalized by the Iraqi commercial attaché in the country of origin or by the Iraqi embassy in case the commercial attaché does not exists.
