

Invitation for Prequalification (IFP)

Date: 20 Jan. 2013

No.: 831

Republic of Iraq

Loan Agreement No.IQ-P14, Al Akkaz Gas Power Plant Construction Project

1. The Government of the Republic of Iraq has received a Loan from Japan International Cooperation Agency (hereinafter referred to as "JICA") toward the cost of Al Akkaz Gas Power Plant Construction Project (Al Akkaz GPPCP) dated 31.3.2010. It is intended that part of the proceeds of this loan will be applied to eligible payments for which this Invitation for Prequalification is issued.
2. The Ministry of Electricity, Republic of Iraq (hereinafter referred to as "the Employer") intends to prequalify contractors and/or firms for the Project which is to improve electricity supply in Anbar Governorate, by constructing gas turbine power plant and related facilities in Anbar Governorate, thereby contributing to the enhancement of economic and social development of Iraq.

Al Akkaz GPPCP consists of supply and construction of one (1) unit of 120MW class gas/oil fired open cycle Gas Turbines/Generators with common equipment and Switchyard & Transmission Lines.

The main fuel is natural gas, back-up fuel is diesel oil (LDO). Natural Gas is delivered via pipeline and LDO is delivered by road tankers. Al Akkaz Gas Power Plant is situated at Al Akkaz, Anbar Governorate.

Al Akkaz GPPCP shall consist of designing, manufacturing, procurement, transportation, constructing, installing, testing, starting-up, commissioning, 1-year defect liability period and training of complete open cycle gas turbine power plant and related facilities to be constructed by the Contractor with a single responsibility on a full turnkey basis. Power Plant shall be hereinafter referred as "Al Akkaz GPP II".

The area of approximately 350m by 300m is available for Al Akkaz GPP II. The site layout of Al Akkaz GPP II shall be designed to consider the future combined power plant.

3. It is expected that Invitation for Bids will be made in [April 15th ,2013].
4. Prequalification will be conducted through prequalification procedures specified in the Guidelines for procurement under Japanese ODA loans, March 2009, and is open to all bidders from eligible source countries, as defined in the guidelines.
5. Interested eligible Applicants may obtain further information from and inspect the prequalification Documents at the address given below, from [9.00 am] till [14.00 pm].
6. A Complete set of the prequalification document may be purchased by interested applicant (s) on the submission of a written application to the address below and upon payment of a nonrefundable fee of [250,000 ID] Two hundred fifty thousand Iraqi Dinars, paid to financial directorate against receipt bill.
7. Applications for prequalification should be submitted in sealed envelopes, delivered to the address below no later than 12:00 AM on Sunday the 3rd of March ,2013, and be clearly marked "application to prequalify for Al Akkaz Gas power Plant Construction Project".
