

CMIT-PRT-10.30-150274 Tender Announcement

CNOOC Iraq Limited, a company existing under the laws of British Virgin Islands, acting as lead contractor of the Technical Service Contract for Missan Oil Fields entered into by and between Missan Oil Company, TP Missan Limited and Iraqi Drilling Company, is pleased to make the following public tender announcement:

Tender details:

Tender Title

Purchase of bulk valve material for 60 wells

Tender Number

CMIT-PRT-10.30-150274

Basic Information

As valves for single well pipelines of next batch 60 wells are supplied by company, and the remaining valves suitable for flow lines in storage are very limited, the procurement of bulk valve material for 60 wells shall be started in time to ensure the production in year 2016/2017/2018.

Tender Fee

USD100 (ITT documents can be downloaded for free, but tender fee USD100 is required while tenderer submits tender proposals)

Tender Closing Date

Date February 28th, 2016
