IC1.undp.iq@undp.org

The main purpose of the consultancy is in two-fold and in the context of
strengthening good governance by improving the delivery of public
services and capacity building of local government officials in budget
management and execution. The International Advisor is expected to
undertake:

- a. In-depth analytical assessment of current practices in terms of
planning and budget management and execution in the context of urban
related sectors i.e. transport, housing solid waste water and sewerage
etc. in four targeted governorates of Basra, Misan, Muthanna, and
Qadisiya
- b. Capacity building training to local authorities officials from the
targeted governorates to introduce modern tools for budget execution in
specific urban related sectors and a budget execution monitoring system
to be developed. Importantly the delivery of the training should be in a
tailored language that is “fit-for-propose” to enable officials applying
modern standards in their respective governorates.
