UNESCO OFFICE FOR IRAQ

The present Call for Proposals focuses on the third component of the reform programme and aims at improving the capacities and competencies of TVET management and teaching staff at different levels in Iraq and the Kurdistan.

The overall objective of this Call for Proposals is to improve the capacities and competences of TVET management and teaching staff in Iraq and the KR-I. In particular, the intervention will focus on identifying the skills needs of TVET management and teaching staff, support the development of training programmes and teaching materials and conducting training.

The selected organization will work to reflect the different realities in Iraq and the KR-I and in close coordination and collaboration with the relevant line ministries and involved TVET institutions in an on-going capacity building process.
