### **Additional Information:**

The International Federation of Red Cross and Red Crescent Societies (IFRC) is the world's largest humanitarian network that reaches 150 million people in 189 National Societies through the work of over 17 million volunteers.

Together, we act before, during and after disasters and health emergencies to meet the needs and improve the lives of vulnerable people. We do so without discrimination as to nationality, race, religious beliefs, class or political opinions.

Guided by Strategy 2020 – our collective plan of action to tackle the major humanitarian and development challenges of this decade – we are committed, in this fast-changing world, to ‘saving lives and changing minds’.

Our strength is in our volunteer network, our community-based expertise and our ability to give a global voice to vulnerable people. By improving humanitarian standards, working as partners in development, responding to disasters, supporting healthier and safer communities, we help reduce vulnerabilities, strengthen resilience and foster a culture of peace around the world.
