

Dear Concern,

please be informed that we received the below questions from interested bidders which were answered (in blue) by our team as the following:

1-The Item No 001 / Full cover Face Mask with straps / as all know there is more of 100 models of the Full Mask and the prices different between one and another exactly from 45-300 USD so we cannot choose one and another vendor choose another so please we have to know is there any prefer model or picture of the requested Model

**Answer:** The program is seeking two straps of good quality disposable masks and will look at getting the best value for the money. Please refer to the below pictures as a reference for bidders to provide similar or better options. Bidders can offer more than one option and include in the announced Price schedule.

## Face masks compared

### N95 respirator

Reduces exposure to small particles

Filters out at least 95% of airborne particles

Tight fitting, allows minimal leakage
