1	Kerosene	Supply, storage and distribution of best quality of kerosene available in North East Syria	Hol Camp	Liter	3,750,750		
			Roj Camp		180,000		
Grand Total Amount in US Dollars						المجموع الكلي بالدولار الامريكي	

SCOPE OF WORK:

- 1-The contractor is responsible to providing, transporting, delivery, storage and timely and adequately distributing high quality of kerosene as directed by the Blumont team.
- 2-For Al Hol Camp, the vendor will provide 10 mobile tankers with capacity of 6,000-8,000 liters. Eight of the tankers will transport kerosene while two will be on standby in case one of the other tanker break/malfunction.
- 3-Eor Roj Camp, the vendor will provide one mobile tanker capacity 6,000 – 8,000 liters to cover all camp residents during one round distribution.
- 4-Vendor will provide either mechanically operated flow meters or electric flow meters (in this case vendor will be responsible to also provide moveable generator to power the electric flow meters): 2 flow meters x 9 tankers = 18 flow; the vendor should keep 5 additional spare flow meters for a total of 23 flowmeters for the mobile tankers.
 - Each flow meter will require a separate pipe for a total of 23 pipes.
- 5-The vendor will also provide 1 static tanker with a minimum capacity of 25,000 liter and 2 electric or mechanical flow meters and 2 pipes to conduct kerosene distribution in the Annexes.
- 6-The vendor will provide 2 flow meters and 2 pipes for each of the tanker. Vendor will secure a kerosene storage facility in Al Hol and Roj Camps to store an additional quantity of kerosene on standby.
- 7-The annexes distribution will take place from the kerosene distribution site in the services area.
- 8-The vendor will secure fire extinguishers at the rate of 3 fire extinguishers with each tanker and the total will be 30 FEs.
- 9-The contractor is responsible for the security of his kerosene distribution and storage tanks. This should be done through coordination with the Camp Administration.
- 10-The Blumont team shall request quantities and destinations of the required kerosene for distribution 2-3 days in advance, using an order letter that has been designed for this purpose by Blumont.
- 11-The contractor must strictly adhere to the Blumont kerosene supply requests, in terms of date/time of supply, quantities and destinations.
- 12-The contractor must assign a Representative at each camp to deal with the Blumont teams and provide adequate number of staff, laborers, affiliates, personnel and/or agents to undertake kerosene distribution, transportation, delivery, storage, and security processes as directed by the Blumont team.
- 13-The contractor must adjust the kerosene tanker outlets as directed by the Blumont team, so as to expedite the kerosene distribution pace.
- 14-The contractor must be authorized by SADCOP (Al Jazeera Fuel Company), and shall has a letter signed from SADCOP that confirms SADCOP responsibility to secure kerosene to the offerer.
- 15-The contractor must take care of all local authorities' letters, permits, memos and approvals whatsoever. Blumont shall undertake no responsibility at all to secure any kind of local authorities' approvals and/or permits.
- 16-The contractor shall be solely responsible for the security and safety of his staff members, laborers, affiliates, personnel and/or agents. To this effect, he is responsible to strictly adhere to the Syrian labor safety regulations and requirements.
- 17-The contractor shall be solely liable in case of any kind of diseases, damages, security incidents, injuries and/or death that may occur to his staff members, laborers, affiliates, personnel and/or agents, as result of implementation of this contract.
- 18-The contractor shall be solely liable in case of any kind of diseases, damages, security incidents, injuries and/or death that may occur to any third party, as result of implementation of this contract.
- 19-Blumont shall only pay the contractor for the quantities of kerosene which have been accepted by Blumont and provided and distributed by the contractor in an adequate manner and timely fashion.
- 20-Blumont shall settle the contractor's accounts at the end of each month after at least 10 days of receiving a proper invoice and all adequate financial papers.
- 21-In case the contractor is in possession of a bank account with a reliable bank within the Kurdistan Region of Iraq's territories, then the contractor's entitlements shall be paid through a wire transfer to his own bank. In case the contractor does not maintain a bank account within the Kurdistan Region of Iraq's territories, then the contractor's entitlements shall be paid through cash transfer to Syria, as advised by the contractor.
- 22-The contractor must deposit an amount that is equivalent to 10% of this contract's value. In case the contractor unjustifiably seizes the work or decides to early terminate this contract, then Blumont shall keep the deposited amount as compensation of the damages Blumont may suffer in result of the contractor's action.
- 23-In case the contractor is late in his performance, then Blumont has the right to impose a penalty that is equivalent to 1% of the total order value for each 1 day of delay.
- 24-The contractor is responsible to provide all his staff members, laborers, affiliates, personnel and/or agents with safety tools during the storage and distribution processes.
- 25-The contractor is responsible to train all his staff members, laborers, affiliates, personnel and/or agents on the Civil Defense courses, using fire extinguishers, and how to deal with fire incidents.
