#	Enquiries to the Tender		
	Date	Question	Answer
1	26-09-2022	There are three options of BOQ attached: should we fill all of them and send them in one sealed package?	Please note that technical bids/options and financial bids shall be in separate envelopes, please do not combine both technical /financial bids together in the same envelope, technical bid shall be in a sealed envelope and financial in another separate one, and both envelopes then can be placed in one package for the submission. For electronic bids submission via the secured email, technical and financial bids shall be send in separate emails too, please do not include technical and financial bids in the same email. For more information please refer to section V Bid Submission within the invitation letter.
2	26-09-2022	Regarding item #11-guard-rail? 1. What is the height and thickness of the column? 2. What is the distance between two columns, 2m or 4m? 3. Is it included barrier?	The guardrail is already existing, just need to be disassembled and assemble it again using the same materials same dimensions
