## Invitation to Tender

### 3. INSTRUCTION

#### BID Submission

#### 3.1 E-mail Submission

Please address your bid to the following dedicated, controlled, & secure e-mail address. And the following condition should be applied:

**[IQ\\_Quotation@giz.de](mailto:IQ_Quotation@giz.de) (Please refrain from adding any other GIZ e-mail; otherwise, the GIZ will assume the offer is unresponsive and invalid).**

The e-mail subject must be (91167230 - IT Equipment)

- Separate e-mails shall be used for the Financial Bid' and 'Technical Bid" and the Subject Heading of the e-mail shall indicate which type the e-mail contains
- The financial bid shall only include the financial bid form, Annex 2
- The technical proposal shall contain (Annex A, Company Technical offer, Company legal documents, Company's local bank account, and all other documents required by the tenderer) but exclude all pricing information.
- Bid documents required shall be included as an attachment to the e-mail in PDF or the same type of file provided as a ZIP file. Documents in MS Word or Excel will result in the bid being disqualified.
- E-mail attachments shall not exceed 30MB; otherwise, the Bidder shall send the bid in multiple e-mails. E-mails attachments exceeding 30MB will not be received in the GIZ mailbox.
- All documents should be signed and stamped

*Failure to comply with the above may disqualify the Bid*

#### 3.2 Deadline for Submission

Complete Bids must be received no later than **14:00 local time on Monday, November 7, 2022**

Any BID received after the deadline will not be considered; however, If the deadline date was on a weekend or unexpected public holiday, the tender submission will be shifted to the following working day.

### 4. Bid Currency

The bid's prices, costs, charges, discounts, and other financial aspects shall be indicated in **USD**.

### 5. Tender submission Cost

The Bidder shall bear all costs associated with the preparation and submission of the tender.

### 6. Bid Language

The bid prepared by the Bidder and all documents relating to the bid shall be written in the English language

## Invitation to Tender

### 7. Correction or Modification

Subsequent corrections, modifications, and additions to the technical offers bid can be considered only if the GIZ receives them before the deadline submission to this e-mail, [ig\\_quotation@giz.de](mailto:ig_quotation@giz.de). The e-mail subject is (Amendment - 91167230 - IT Equipment).

The bidding documents shall contain no alterations, omissions, or additions, except those to comply with conditions issued by the GIZ or as necessary to correct errors made by the Bidder, in which case such corrections shall be initiated by the person or persons signing the bidding documents.

The bid must be based on Annex 3 - General purchase conditions for supplying goods on behalf of the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH. In the event of an award of a Purchase order or contract, they would become an integral part.

### 8. Content of Bid

#### 8.1 Content of the technical Offer

The Bidder shall provide GIZ with the information that should satisfy the requirements laid down in the bidding documents. The bid should contain the following information, and any extra requirements will be requested during the evaluation process (if required)

**A detailed datasheet/catalog for each requested item must be submitted with the tender and match with Annex 1 – technical specifications; copy-pasting GIZ Annex 1 – technical specifications or submitting only reference pictures will not be considered as company/bidder datasheet. In the event of physical samples, GIZ informs all the Bidders that are formally forwarded to technical evaluation to submit samples to a specific location requested by GIZ. Bidders shall incur all costs of the tender preparation and submission. GIZ will in no case reimburse them.**

Please refer to Annex 1 – Technical specifications for more details.

Local bank accounts, including (Bank Name, Account Holder, IBAN, SWIFT CODE). The Bank account must be under the company name.

To be potentially qualified for the award of the contract, the bidders shall:

- Provide all relevant local legal registration documents of the company and all worldwide valid certificates, which include a place of registration (Company Certificate), principal place of business, and written power of attorney of the signatory (ID from Ministry). In addition, copies of original documents showing the registration with the Contractor Union must be provided. All documents must be valid.
- In case of awarding, GIZ might ask the awarded company to Provide an Affidavit that the firm has been neither blacklisted by any Government, semi-governmental institute, or private institute nor involved in any litigation in the current or during the last two (2) years or a (self-disclosure will work also).

Failure to submit all required documents will result in the disqualification of the whole bid.

# Invitation to Tender

## 8.2 Content of the Financial Offer

- The price offer must contain all costs in **(US Dollars)**, as specified in Annex 2 - Bid form and it must be Signed and Stamped.
- The price for offered items includes a warranty per product for at least one year
- The prices include Providing, supplying, loading, offloading, installation and transportation, with all other GIZ requirements.
- The tenderer submitting more than one financial offer with different prices, will be disqualified from the whole bid
- All the prices stated in the company offer shall be free of taxes and other public charges that cannot be exempted and must be paid.
- The digital bid form offer might not be considered **(The bid form must be printed, filled, signed, and stamped)**.

## 9. Validity of Bid

Bids shall remain valid for **90 days** after the deadline for submission of bids, subject to extension.

## 10. No Commitment

GIZ reserves the right to accept or reject any bid, cancel the bidding process, and disclaim all bids at any time before the award of the purchase order or contract – in case the process is not following GIZ's fundamental principles of procurement and/or other related serious reasons for rejection or cancellation – without thereby incurring any liability to the tenderers.

GIZ is not responsible for fluctuations in the prices of any items in the local and international markets during the contract period, and the Offeror is obliged to the proposed price according to the contract and until the end of the contract period between the parties

## 11. Lot (s)

In cases where more than one lot is indicated in the ITT, GIZ Iraq reserves the right to award any subsequent contract either jointly for all lots or individually per lot.

## 12. Bid Evaluation

**The evaluation process consists of three sequential stages:**

### 12.1 Phase I – Administrative Evaluation

GIZ will review all offers to ensure all forms have been submitted and signed and are in compliance with the administration requirement. Bids will be checked for compliance with formal and eligibility criteria stated in this Tender Document. The below documents should be submitted with the bid and will be reviewed at this stage:

#	Annex	Document	Instruction
1	Annex A	Invitation to Tender	Complete ALL sections in full, sign, and stamp it

2	Annex 1	Technical specifications	Please review the specifications and provide datasheet in accordance with Annex 1
3	Annex 2	Bid Form	Please provide your Financial offer based on the Annex 1
4	Annex 3	General Purchase Conditions	Please review this Annex, sign and stamp it
5	Others	Company legal documents and bank detail	Please Provide Company legal documents and make sure all are valid
6	Others	Company Datasheet/Catalogue	Please review the specifications and provide datasheet in accordance with Annex 1

## 12.2 Phase II – Technical evaluation

The technical offer under this bid will be taken into consideration during the evaluation; The technical offers will be evaluated based on the requested requirements mentioned in Annex 1- technical specifications, only technically compliant offers will be considered in price evaluation or financial evaluation. A bid that drastically exceeds the requirements will be ranked the same as one that just meets that requirement.

## 12.3 Phase III – Financial evaluation

Offers reached this stage are subject to financial assessment, which assesses the price (/cost) and any related commercial terms. The lowest-priced; technically compliant offer will be selected and awarded.

## 13. Tender Result

Suppose the Bidder does not receive any written award notice within 90 days. In that case, it means GIZ has not accepted the bid, the Bidder will **not** receive any separate notification, and only awarded Bidder will be officially informed by GIZ.

## 14. Purchase Order/Contract and Amendment

After the evaluations are completed, GIZ reserves the right to share the notice award e-mail with the most compliant Bidder based on the accepted overall evaluation (technical offer, prices including delivery time “when applicable” indicated in Annex 2 – bid form); the notice of award e-mail is to invite the company to the GIZ country office to sign the written purchase order and inform the awarded company to start the implementation.

GIZ reserves the right to increase or reduce the quantities (indicated in Annex 2 – Bid Form) up to 20% according to the available budget

## 15. Delivery Location

- The delivery location: **Vocational Training Centre in Sulaymaniyah, Iraq**

## Invitation to Tender

### 16. Payment Terms

- Full payment will be made after completion of delivery and approved by the inspection committee of GIZ, subject to appropriate deduction for incomplete and delayed deliveries, upon presentation of:
  - A commercial invoice (specifying quantities, unit and total prices, etc.)
  - Acceptance certificate issued by the authorized GIZ representative
- All payments will be transferred through the Bank. GIZ will not be responsible if the local contractor Bank converts the payments into another currency. The contractor is not entitled to claim any charges or fees deducted by the Bank due to the exchange and/or transfer of payments.
- The typical payment terms by GIZ is 30 (thirty) days upon satisfactory delivery of goods or performance of services as well as complete submission of invoices with supporting documents. Bidders must clearly specify in their bid the payment terms being offered.
- Full payment will be transferred based on acceptance of goods delivery notes. GIZ will accept a partial payment only for the approved delivered quantities.

### 17. Cancellation of tender and purchase order/contract

#### 17.1 The tender can be cancelled, if:

- No bids have been received, which corresponds to the bidding conditions,
- There have been substantial changes during the tender
- All technically acceptable tenders exceed the financial resources available.
- There are other serious reasons for such cancellation.

#### 17.2 The Purchase order/contract can be cancelled, if:

- Involving Non – Compliant Subcontractor by the awarded company
- Request for increasing the price of a single item or a percentage of the total order amount after award.
- The items stated in the order were not delivered in accordance with the tender conditions and order.
- Change/provide a new technical offer by the awarded company before/during the delivery process that does not comply with GIZ standard technical specifications.
