

## Expressions of Interest

TENDER FOR Project No.: **20.1800.0-002.00**  
PROJECT NAME: **SRN "Strengthening resilience in dealing with crises and conflicts in Ninewa**  
WORKS: **Planning of a 12km long asphalt road in Zummar district**

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH implements social infrastructure construction measures in the frame of the program "Strengthening resilience in dealing with crises and conflicts in Ninewa Province in Iraq".

The SRN program is active in the Ninewa governorate and focuses on the districts of Mosul, Zummar. It aims to strengthen the resilience of the population in dealing with crises and conflicts and implements measures in the fields of employment promotion, rehabilitation of public social infrastructure and promotion of social cohesion.

### Objective:

GIZ is seeking for a specialised, experienced company that is capable to plan a road.

The works will include surveying the land of the proposed area, establishing benchmarks, making soil tests, designing a road with fits to the specifications (i.e. 50km/h, 6m of asphalt, culverts), preparing the necessary drawings, preparing BoQs (including cost estimates), and supporting documents for the complete construction measure. The road will have ~12km length and will be constructed in Zummar district.

### Duration of works

The overall timeframe for the implementation of the design activities is planned from 12/2022 until 03/2022.
