

Expression of Interest

TENDER FOR Project No.: **20.1800.0-002.00**
PROJECT NAME: **SRN "Strengthening resilience in dealing with crises and conflicts in Ninewa**
WORKS: **Construction of a ~12km long asphalt road in Zummar district**

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH implements social infrastructure construction measures in the frame of the program **"Strengthening resilience in dealing with crises and conflicts in Ninewa Province in Iraq"**.

The SRN program is active in the Ninewa governorate and focuses on the districts of Mosul, Zummar. It aims to strengthen the resilience of the population in dealing with crises and conflicts and implements measures in the fields of employment promotion, rehabilitation of public social infrastructure and promotion of social cohesion.

Objective:

GIZ is seeking for a specialized, experienced company that is capable to construct a rural road.

The works will include cutting and filling the soil in the proposed area to the levels and widths in the drawings and specification, filling a layer of subbase and one layer of Asphalt on top. The road will have a length of approx. 12km and will be constructed in the Zummar district.

The location of the work can be seen in the map from the below public link:

https://www.google.com/maps/d/edit?mid=14_pCLopmtiuBHyCsVULAGGARCoMLicz&usp=sharing

Duration of works

The overall timeframe for the implementation of the construction activities is planned from 07/2023 until 03/2024.

To qualify for consideration in the tender procedure, interested companies are required to submit the following information and documents for eligibility assessment:
