- Submission date** : 6th January 2024 at 23:55 Iraq time
- Reference number** : RFQ/IQ/23/233
- Contract Title** : Youth Solar System Consultancy
- Content** : NRC is aiming to enhance the self-reliance of displaced-affected youth aged 18-35 in camps in Duhok and Ninewa through targeted and holistic training so that youth are better positioned to respond to future shocks and interruptions to food security, supply chains, and/or responsive livelihoods opportunities. Therefore, NRC is seeking to contract with a professional, technical, and experienced trainer to provide a package of solar system installments to the 40 youth participants through a 6-month full training that is divided into two (2) three-month terms: A 3-month theoretical and practical “learning” period followed by; A 3-month “applying” period of Youth Internship Pathways. These pathways include:
1. Graduate workshop hours.
 2. Apprenticeship placement (where available).
 3. Mock short-term on-job training in their trade in an NRC-sourced public service project. Mocking job where the youth will be able to practice what they have learned in real jobs.
- In this capacity, the consultant will act as a trainer, coach, and mentor to youth programme participants and will be referred to as The Consultant throughout the document.
