

DRC TECHNICAL BID FORM – Request for quotation No: RFQ-IRQ-016992: Re Advertising Supply of Vehicle Rental Service with Driver under Framework Agreement

RFQ Reference Number: RFQ-IRQ-016992 – Re-Advertising Supply of Vehicle Rental Service with Driver under Framework Agreement

Summary:

Danish Refugee Council is looking for qualified individual or company service providers who own vehicles or can provide vehicles of 2018 or higher make and are willing to transport Danish Refugee Council staff primarily in Anbar, but also in other parts of Iraq.

Danish Refugee Council invites both individual and company bidders for the services described and summarized in this document, in accordance with the procedures, conditions, and contract terms outlined in this document. Danish Refugee Council reserves the right to change the quantity or number of vehicles specified in the Tender Package without changing the unit price or other terms and conditions, as well as to accept or reject any, all, or part of the submitted offers.

General Introduction:

- DRC is seeking to establish Framework Agreement for the duration of 10 months for the rental of vehicles including driver to serve DRC's operations across various locations in Iraq and be available to the rental 8 hours (usually from 8:00 AM to 4:00 PM, But this may be adjusted as per DRC needs) per day, 5 days per week, 8 hours a day for monthly rental service and On call rental service will be based on DRC need for 8 hours per a day.
- DRC's initial need will be monthly contact, but if DRC field activity and needs require daily or weekly service, DRC reserves the right to revert from monthly contract to weekly or daily, and thus the bidder/s are required to offer their rates per month.
- In case of working more than 8 hours per a day, or to work during Saturdays/Fridays, the extra hours/days will be compensated during public holiday or by giving off day/hours based on the number of the extra service hours when the work schedule allows.
- Extra working time is counted only when the service provider stays beyond the actual working hours which is (8 hours per a day) by more than 60 minutes per each day, only the time over the extra 60 minutes will be compensated when the work schedule allows.
- In case of vehicle break down, the service provider shall provide a replacement for the vehicle, otherwise DRC will deduct the cost of each day of non-availability from the monthly rate based on the service provider offered daily rate.
- The availability is for 5 days per a week (40 hours), if it happened a public holiday occurred during the 5 days per a week and there is a need for the service, the bidder/service provider will be requested to be available for the service.
- Bidder is not allowed to change the proposed driver/vehicle after the closing date and during the evaluation process.
- After the award is being granted, the service provider shall notify DRC fleet manager for any absence at least two days in advance and shall provide a replacement for covering the gap. The maximum number of absence days allowed is 10 days during the contract period.
- DRC Iraq will be seeking to rent around One vehicle.
- Please note the above quantities are estimates only and are to aid the Bidder in the preparation of their bid. DRC is not committed to rent a fixed number of vehicles and the final number of vehicles rented may fall below or surpass those stated above.
- This tender is for One type of vehicle services for different locations in (Anbar). DRC may choose to split the contract to multi award to more than one supplier.
- As stated in the introduction DRC is looking to rent a combination of different types of vehicles. Exact requirements for each type of vehicles are provided in Annex A.1 (Technical Bid Form). The suggested models are not definitive and is meant to be a guide only, Bidders are welcome to provide alternative models.
- All offers should indicate whether the unit cost include taxes, compulsory payments, levies and/or duties, if applicable
- All service providers should ensure that financial offers are accurately calculated. If errors are discovered during the evaluation process, the unit price will be considered. If the unit price is unclear, the Selection Committee may decide to reject the offer.

DRC TECHNICAL BID FORM – Request for quotation No: RFQ-IRQ-016992: Re Advertising Supply of Vehicle Rental Service with Driver under Framework Agreement

- This Tender does not commit Danish Refugee Council to execute a contract or pay any costs incurred in the preparation and submission of proposals. Furthermore, Danish Refugee Council reserves the right to reject all proposals if such action is presumed to be in Danish Refugee Council's best interests.
- When vehicles are proposed or sent to us, they will be inspected in accordance with Danish refugee council inspection requirements. Any Vehicle does not Fit the inspection requirements will be rejected immediately.
- If the vehicle is rented for less than one month for some reasons and due to any change in scope of work or any outreach circumstances, the payment fees will be calculated based on the actual working days.

ESSENTIAL SERVICE FUNCTIONS:

- The transportation service provider will be managed in his day-to-day activities by Supply chain team
- The transportation service provider will be assigned duties on weekends, holidays, and after normal working hours if required subject to the Contractor's discretion.
- The transportation service provider will provide a vehicle(s) in roadworthy condition, and will regularly check engine, brakes, air condition, tires, etc. and repair or replace as needed. Vehicles will be subject to regular inspection by Danish Refugee Council. Danish Refugee Council reserves the right to reject any vehicle or service which does not meet its agreed specifications.
- Danish Refugee Council will not be responsible for any damage, accident or any cost related to the vehicle.
- The transportation service provider must be respectful to Danish Refugee Council passengers, ensure passengers are provided with the maximum comfort levels possible (e.g., using heaters and A/C when appropriate)
- Only the transportation service provider will be allowed to drive the vehicle during normal use
- Service providers are expected to respect DRC standards in interacting or dealing with clients, staff, and partners (When transported or happens to be in the same location)
- Service provider is expected to respect the confidentiality of information shared during rides, personal information of staff and partners, ensuring no information leakage is practiced from his/her side
- Service providers are expected to move from point A to B (starting and end points) and in between when needed and if the schedule is changed due to emergency or others.
- Service providers not to interact with security focal points at check points, clients, other staff members, unless if support was requested, alternatively, DRC staff (passengers) might lead the different communications per the need and seek for support if relevant.
- No weapons or illegal materials/goods may be carried in the vehicle at any time.
- The transportation service provider will retain sole responsibility for any injuries, death, loss or damage sustained to third parties resulting from the operation of vehicles under hire by Danish Refugee Council.
- The vehicle must have third party insurance
- The transportation service provider must adhere to Danish Refugee Council Safety and Security procedures as explained by Safety and Security Department.
