

Request for Proposal (RFP)

Specialized Training Programs

Business Empowerment Company (BEC) is pleased to announce its interest in contracting with accredited training centers or certified trainers to deliver advanced training programs in the following areas:

1. Introduction to ASP.NET (18 hours)
2. Payroll System Project (60 hours)
3. Warehouse Management Project (60 hours)
4. Advanced Networking – CCNA Level (48 hours)

Scope of Submission

Accredited centers or freelance certified trainers may apply to provide:

- **Full program delivery**, including all services (training halls, materials, labs, equipment, hospitality, logistics)
- **Training only**, covering content, lectures, assessments, and certification
- **Partial support services**, such as halls, materials, labs, equipment, hospitality, and logistics

Eligibility Criteria

Applicants must meet the following requirements:

- Training centers must be accredited locally or internationally
- Trainers must hold recognized professional certifications (e.g., Microsoft, Cisco, PMI)
- Minimum of 3 years of proven practical experience in the relevant field
- Submission of trainers' CVs along with certification documents

Pricing Requirements

- Detailed pricing must be provided for each component (Training / Services / Package)
- Total cost of the full package must be clearly stated if offered as an integrated solution

Submission Guidelines

Interested centers and trainers should submit detailed proposals including:

- Training plan and timeline
- Trainers' CVs
- Itemized cost breakdown

 Please send proposals to: **ld@bec.iq**

 Location: Baghdad, Iraq

 Submission Deadline: **September 11, 2025**
