

Vendor Registration Form (VRF)

For the Supply of Construction and Finishing Materials

Issued by: China Construction First Group Corporation Limited

Date: October 12th 2025

Deadline for Submission: 5:00 PM (Local Iraq Time), October 28th 2025

Submission Email: procurement@ccfg-iraq.com

1. Introduction

CCFG (: China Construction First Group Corporation Limited) is one of the leading international engineering and construction enterprises operating across Iraq. The company is part of the **China Civil Engineering Construction Corporation (CCECC)** group, a globally recognized organization with operations in more than **100 countries worldwide**, delivering large-scale **infrastructure, housing, transportation, energy, and industrial projects**.

In Iraq, **CCFG has been a key contributor to the nation's reconstruction and development efforts**, implementing several strategic and high-profile projects that meet international standards of quality and safety.

Our ongoing and completed projects include:

- **Damac Project – Baghdad International Airport area**, a major commercial and residential development combining modern architecture with advanced infrastructure systems.
- **Residential and Housing Projects** across **Baghdad, Karbala, and Basra**, focusing on high-standard finishing, electrical, and mechanical installations.
- **Infrastructure and Utility Projects** supporting both public and private sectors, including roadworks, water networks, and power distribution systems.

Globally, CCFG (CCECC) has executed numerous landmark projects such as **railways, bridges, airports, and city development zones** in **China, Africa, the Middle East, and Europe**, earning a reputation for excellence, technical innovation, and reliability.

Through this Vendor Registration Form (VRF), CCFG Iraq aims to establish long-term partnerships with qualified suppliers and manufacturers capable of providing **construction, MEP, electrical, and finishing materials** that align with our company's commitment to **quality, sustainability, and efficiency**.

This initiative also reflects our continuous effort to build transparency and cooperation within the Iraqi construction market, encouraging local and international companies and manufacturers to align with our standards, share their expertise, and contribute to the country's growing development sector.

2. Scope of Work and Material Categories

Suppliers may register for **one, several, or all categories** below, depending on their **experience, capability, and scope of supply**:

A. Civil Works Materials

- Concrete blocks, cement (OPC/SRC), sand, gravel, crushed stone
- Reinforcement steel bars (Rebar), binding wire
- Formwork materials (H20 beams, plywood, shuttering oil)
- Waterstop, expansion joints, and construction chemicals
- Ready-mix concrete (if applicable)

B. MEP Materials

- UPVC, HDPE, PPR, and GRP pipes and fittings
- Valves, flanges, and connection accessories
- Water pumps, HVAC ducts, and insulation materials
- Firefighting equipment and accessories
- Electrical and mechanical tools and consumables

C. Electrical Materials

- Cables and wires, cable trays and conduits
- Panels, breakers, distribution boards
- Lighting fixtures (indoor/outdoor), switches, sockets
- Generators, transformers, and control systems

D. Finishing & Decoration Materials

- Gypsum boards, ceiling frames, and profiles
- Paints, coatings, adhesives, sealants
- Floor tiles, wall tiles, sanitary fixtures
- Doors, windows, glass, aluminum, and decorative elements

Companies are invited to express their interest and submit information for one, several, or all categories, depending on their experience, capability, and scope of supply.
