

Tender Notice for Provision of The Construction of The Heet Aggregation Hub Project

Country : IRAQ, Baghdad
Advertisement date : 22nd April 2026
Submission date : 5th May 2026
Funding : ITC
Reference number : ITB/IQ/26/001

Contract Title : Provision of The Construction of The Heet Aggregation Hub Project

Content : The Norwegian Refugee Council (NRC) is seeking a reputable, licensed, and technically qualified contractor for the Construction of the Heet Aggregation Hub (Jamlon) in the Anbar Governorate, Heet District. This project is a critical infrastructure initiative designed to support the local agricultural value chain by providing a centralized facility for crop aggregation and processing. The project involves the construction of structural steel works (locally referred to as "Jamlon" or "Alwah" style) and associated civil works.

No margin of preference is applied; the Bid is open to all eligible Bidders.

Tender Download : If your company is interested in participating in the tender, it requires you to download the Tender package, free of charge, using the following [LINK](#)

For registration instructions, please check the Supplier Bid Guide attached to this tender Notice

Submission details : This Tender is a **One-Envelope process**

NRC Iraq will follow the **One-Envelop process** for this procurement. Therefore, please submit your quotation **following the requirements detailed in the ITB**.

Remark

- 1- The Bid, as well as all correspondence and documents relating to the Bid shall be written in English
- 2- Offers must be submitted through the eTB system, and before the tender deadline expires. It will not be possible to submit your bid after the deadline or outside the eTB system
- 3- For **technical questions about the system**, please get in touch with iq.procurement@nrc.no

Sincerely,

NRC IRAQ Procurement Department
